Subject: RE: CFAC November Meeting Agenda

Hi Mary, thanks for this. Mike and I are tentatively planning to attend the Nov 3 meeting. It will be nice to meet in person.

I plan to send out an agenda for the 9/29 meeting a few days before as a reminder to the public. I will share a copy with you.

Have a good weekend!

Subject: CFAC November Meeting Agenda

Mike and Robert,

Please find attached to this email the agenda for the November 3 panel meeting for the CFAC project. As John mentioned on the project team's call, the agenda will focus on providing a project update. I have included who will be attending for CFAC; this will be removed prior to it being printed for the meeting. Please take a look and let me know if you'd like to add anything and/or have a spot on the program.

As I mentioned to Robert yesterday, I won't be able to make the public meeting September 29. If you prepare an agenda for the meeting, please consider providing a copy to me. I try to keep up on my projects and what is happening.

Many thanks and have a great weekend.

Kind regards,

Mary
